Present: Jeff Quastad, Chair Tim Schumacher, Vice-Chair John Pluth Todd Glasnapp Lisa K. Hansen Absent:

Meeting ID: 868 7789 3259 Passcode: 162838 One tap mobile +13017158592,,86877893259#,,,,*162838# US (Washington DC) +13126266799,,86877893259#,,,,*162838# US (Chicago)

Quastad, Chair, called the meeting to order. All in attendance recited the Pledge of Allegiance. Motion by Schumacher, second by Pluth to approve the minutes from last week's meeting, also approving them for publication. All ayes, motion carried.

During Public Forum, Supervisor Pluth reported on plumbing issues at the Annex Building.

Supervisor Glasnapp reported on the Safety Committee meeting he attended. Emmet County is 27 days accident free. Glasnapp also reported that Emmet County Sheriff Mike Martens has received a grant for bullet proof glass for the Sheriff's office.

Supervisors Hansen, Pluth and Schumacher plan to attend the Conference Board meeting tomorrow night.

Supervisor Quastad will be attending a Kiwanis meeting and the Board discussed items to share with the group.

The Board discussed the progress of the new weed spraying program.

Auditor, Amy M. Sathoff reported that the Department of Management was late getting consolidated levy rates to the County which in turn caused the Department of Revenue to need 15 days to process the Business Property Tax Credits. This will put a tight turn around for the Auditor's and Treasurer's offices to get the property tax statements out by August 15, 2021.

Emmet County Engineer, Walter Davis-Oeth joined the meeting. The Board discussed with Davis-Oeth the progress of the new weed spraying program. Walter reported that the crusher will be moving into Egeland Pit and crushing next week. MSHA (Mining Safety and Health Administration) training will take place tomorrow. Davis-Oeth reported that painting on the road projects will finish up this week.

Davis-Oeth also reported that he is continuing to try to set up a video conference with the Union Pacific regarding the rough railroad crossings in Emmet County.

Motion by Pluth, second by Lisa to approve the Utility Permit for Iowa Lakes Electric to bore from ROW to Row under 260th Street at approximately 445' east of 5235 260th Street. Boring will consist of a single primary 7,200 volt cable inside of 2" continuous conduit buried at a minimum depth of 48". The purpose of this construction is to provide service for a new hog confinement. All ayes, motion carried.
