

RESOLUTION #21-25

DRIVEWAYS AND FIELD ENTRANCES

In accordance with the policy and regulations of the Emmet County Board of Supervisors, the following schedule of costs will apply for the installation, widening, moving of driveways and field entrances. Emmet County reserves the right to schedule actual construction.

SCHEDULE OF COSTS

Emmet County will stock the material and furnish the labor and equipment to construct the driveway or field entrance. The person requesting the driveway or field entrance will pay for the material at the following rate:

- Dirt** \$22.50 per small truck load (4.5 Cu. Yd.)
 \$40.00 per tandem truck load (8 Cu. Yd.)
 with a minimum of \$90.00 for driveways not using pipe.
- Gravel** All field entrances to be graveled by the County shall be at a cost of
 \$6.00 per ton, delivered. House drives will be graveled at no charge.
- Pipe** Where pipe is required, the owner shall pay for the actual cost of the pipe
 in addition to the dirt.
- Widening Entrances** It will be the actual cost of the pipe, if needed, and
 \$22.50 per small truck load (4.5 Cu. Yd.)
 \$40.00 per tandem truck load (8 Cu. Yd.)
- Moving of Field Entrances and Driveways** It will be done at a negotiated cost.

Drives shall not be placed by the landowner or tenant on any road without the consent of the Engineer, even though the owner or tenant does the work. Driveways requiring pipe shall have the minimum diameter of 18" and shall be 16 gauge corrugated metal or tongue and groove reinforced concrete pipe per current Standard Road Plan Section DR. Driveways placed without such consent shall be subject to removal at owner's expense.
